3 YEAR HIGH SCHOOL OUT-OF-STATE FEE WAIVER

In accordance with statute 1009.26 (12)(a), students who have attended a secondary school in this state for 3 consecutive years immediately before graduating from a high school in this state and applied for enrollment at a Florida institution of higher education within 24 months after high school are eligible to receive a waiver for the out-of-state portion of their tuition. The student is responsible for the in-state portion of their tuition and books. This waiver is only applicable for **110 percent** of the required credit hours of the degree or certificate program for which the student is enrolled (Associates = 66 credits/ Bachelors = 132 credits/ Certificates = vary).

Students receiving this waiver are **not eligible for state financial aid**.

The student must submit the following along with this waiver:

1. Final, official high school transcript (including graduation date) demonstrating 3 consecutive years of attendance at a Florida high school immediately before graduation.
2. If applying to Daytona State College after the 24 month period, documentation that the student applied to another Florida institution within the 24 month period must accompany the high school transcript.

By signing this form, I understand that waivers are only valid for **one semester**. Receipt of one of these waivers **does not** result in classification as a Florida Resident for Tuition Purposes. If I wish to seek this waiver in a subsequent semester, I **must reapply** and provide the required documentation.
