THE PURPOSE OF THE GRANT IS TO HELP ELIMINATE BARRIERS IN EDUCATION THAT MAY PREVENT STUDENTS FROM SEEING POST-SECONDARY EDUCATION AS AN OPTION AFTER HIGH SCHOOL. THIS, SUMMER STUDENTS EMBARKED ON A NEW JOURNEY OF THE COLLEGE EXPERIENCE WITH DAYTONA STATE COLLEGE. STUDENTS PARTICIPATED IN CAREER EXPLORATION, LEADERSHIP CAMPS, CULTURAL ENRICHMENT OPPORTUNITIES, FIELD TRIPS & CAMPUS TOURS.

This year, Upward Bound has many opportunities in store for UB students. Although mandatory Saturday Workshops take place once per month, additional Saturdays have been carved into the UB schedule for opportunities to meet entrepreneurs and for community service hours which are required for many scholarship opportunities. There are also field trip & campus tours planned which are open to all students, however a few of our field trips will be exclusively for UB students who excel in attendance and academics (**Universal, Leadership Conference @ USF, and Tampa Bay Bucs vs NC Panthers**).
